Did you know...?

62% of Wiscasset Primary School students and 57% of Middle School students receive free or reduced lunches.

Our Mission is to generate funds to provide weekend nutritious meals to children attending Wiscasset schools who are living with food insecurities.

Many children rely on school cafeterias for their most nutritious meal of the day. In some cases, this may be the only meal a child receives. Each Friday afternoon during the school year, kids are discreetly and confidentially provided a food filled backpack to ensure they have something to eat during the weekend. Backpack food programs have been shown to increase attendance, decrease behavior problems, improve concentration abilities, and improve student academic achievement.

Wiscasset Backpack Program

FEED OUR SCHOLARS

Discreetly provides nutritious, child-friendly, easy-to-prepare food to chronically hungry children in every day backpacks to take home over the weekends and out of school times.

A wonderful program for children which:

- Provides nutrition
- Eases their anxieties
- Reduces absenteeism
- Improves attention span
- Raises academic performance
- Increases self esteem

"It helps a lot at hard times when we don't have a lot of food in the house." Wiscasset Primary School Child
